For purposes of this program, a first time attendee is defined as:

- A. someone who has never attended a Shuttlebirds workshop
- B. someone who has not attended a Shuttlebirds workshop since 2009

Registration forms from new attendees must include the name of the person referring them. Only one name may be entered on the "referred by" line. If more than one name is entered, only the first person named will receive the credit.

The referee(s) must actually attend the workshop. Cancelled registrations will not be counted.

Discounts will be awarded based on registrations postmarked or received by the registration deadline of March 21, 2015 and paid out at the workshop as a refund.

Help us share the fun and reach our goal of 100 tatting attendees.
